**General Information.** We have reserved a limited number of rooms at discounted Conference Rates at the above hotel which is a relatively short walking distance to our conference location- DePaul University's Loop Conference Center. Hotel's cut-off date for holding the rooms for our group is September 16.

**However, given the limited number of the reserved rooms, we suggest you secure your room at your earliest convenience.** Conference Rate for Club Room (smaller room) is \$177.00+tax and for Standard Room (larger room) is \$192.00+tax. You will need a credit card to hold your room. This Private Membership Hotel provides a wide range of Amenities, including free access to Internet and many more free services.

**NOTE on Hotel Rate:** When you click on the Reservation URL (see below please), you see our blocked rooms have initial Arrival Date of Wednesday, October 17, which has a bit higher rate than the above-mentioned rates. This is because other major events take place in Chicago on the specific night. However the rates for other nights of your stay will be at the above stated rates.
